POA IMPACT REPORT 2024

Mission Statement

A team of individuals who constantly challenge each other will develop the skills and people power necessary to solve any problem, whether for the customer, the company, or the community.

Adam Pritchett, Chief Executive Officer

The start of a new year is always a great time to reflect on what drives us forward. At POA, we believe in the power of sports to inspire, unite, and create opportunities—especially for women athletes who continue to break barriers and redefine what’s possible.

In 2025, we are deepening our commitment to women’s sports, supporting teams, athletes, and organizations that elevate female competitors at every level. By investing in their success, we’re not only championing equity in sports but also fostering the next generation of leaders on and off the field.

To our employees and partners, thank you for standing with us in this mission. Your dedication fuels our ability to make a meaningful impact, and I look forward to all that we will accomplish together in the year ahead.

2024 COMMUNITY CONTRIBUTIONS

102 FOUNDATIONS – TWICE THE IMPACT

We use our resources and the skills of our teams to give monetary donations, products, services and charitable time to each of these important causes.

In 2024 POA donated to more than 100 foundations with more than double the monetary contribution we had the prior year, which means a concentrated effort to transformational change in our communities.
